Georgia Tech Library Collection Development Policy

School of Economics 2004

Collection Development Objectives

The Library & Information Center of the Georgia Institute of Technology supports faculty and student research and develops collections to support the curriculum (through the master's degree level) of the School of Economics. In addition, the collection supports the general business research needs of Georgia Tech students, faculty and staff.

School Profile -- Overview

The School of Economics is one of six schools in the Ivan Allen College of Liberal Arts. There are 15 teaching faculty plus three visiting faculty.

School Chair: Patrick McCarthy (Professor and Chair) - Room 204, Habersham Building
