Mission:

The GT Library exists to *catalyze the discovery* and *creation of knowledge*.

Vision:

GT Library redefines the technological research library of the 21st century. Students, faculty, and staff are inspired to create The Next through innovative digital and physical environments, curated scholarly content, outstanding services, and information expertise.

Strategic Goals:

- **Community**
  The Library is deeply engaged in the research, teaching and learning at Georgia Tech

- **Workforce**
  Library is an organization where high performing employees come, actively engage, grow and develop

- **Internal/ Process**
  Library is adaptable to a changing environment

- **Financial**
  Library has sufficient financial resources to deliver service and content offerings

- **Innovation**
  A redefined perception of the Library with outstanding virtual presence and physical spaces

Organizational Values:

- Integrity
- Excellence
- Impact
- Curiosity
- Diversity & Inclusion
- Communication
