A Why, I don't know how many there were, about 50.

Q Did you make as much money as the other girls in the mill?
A No Sir.

Q Were there girls that made more money?
A Yes Sir.

Q Were there girls that made less money?
A Yes Sir, they did, all us kids running two and three sides made less.
Q  How were you treated by your overseer in that room?
A  Well, the boss done very well, but everytime
I stayed out they come down there and raked me out good.
If I stayed out sick and when I was going to ask off
they would not let me off.

A  Yes Sir.
Q  Did you manage to work five days a week?
A  Part of the time I did.

A  No Sir.

physician?
A  Dr. W. V. Garrett.

A  They sent me over there in an automobile.
Q  How old was the baby when it died?
A  It was born at five and only lived two hours.
Q  Do you know anything about the forfeiture of time? Just go ahead and tell about it if you had a forfeit.
A  About three years ago I was fixing to go to Columbus, Georgia and I was working a notice and lacked two days and a half of having my time out and we just
went on and left my time and Ma and them they went to get my time and they would not give it to her at all and after I come back I tried to get them to give us $2.00 for it, that was half of it, and they never would do it.

Q  Do you know of any other case where it was forfeited among the other girls?

A  No Sir.

Q  Did you hear many complaints about the time being forfeited or not?

A  My brother had time forfeited. He has got about $24.00 up there.

Q  Never could get it?

A  No Sir, he can't get it.

Q  Have you heard of two or three different cases?

A  Yes Sir.

Q  Just this one time is the only time you have had it forfeited?

A  Yes Sir.

Q  Now in regard to your pay day, when you were paid did you get your money on Saturday, or did they ever hold your money up on you until the next week because you had been out a day or two?

A  Yes Sir, If we didn't have five days when we
went to get our money we had to wait until Monday night or Tuesday night.

Q Under the rule it was necessary for you to have five days before you could get any money?

A Well, if you were out sick -- I don't care what was the matter, you had to be there five days before you could get your money.

Q You would not if you were sick?

A No Sir, not until you made up the five days.

Q They didn't change your work in cases of necessity?

A No Sir.
